PV International School, August 2025

We believe the best way of Early Childhood Education should be
PV International School

You Tube

PV International

P1 Class We read every day and answered questions after the story. The kids have improved at reading quite a bit. We've also had fun in the pool in this hot weather! -Sarina

P2 Class Students learned about different species of animals through coloring, matching, tracing and reading. They recognized the names of various farm and wildlife animals. They also enjoyed the fun water play activities for summer. -Vickie

V class This month V class has been focusing on alphabet learning and counting practice. They also learned sea animals! It's great to see everyone progressing a lot! -Mara

I Class I class has been enjoying playing with water to cool off in the summer heat! They've also been working on their alphabet, numbers, and vocabulary. Every week, they learn about animals and practice their counting skills! -Susana
