PV International School, March 2023

We believe the best way of Early Childhood Education should be

PV International School

P1 Class

In February, P1 kids learnt all about places, different community helpers and their working places. Learnt about caring and love marking St. Valentine's Day. They also learnt recognizing 'Time' with hour n minute needle. -Tana

P2 Class

P2 class students focused on phonetic reading and learning new words of different places in our community. They also made lots of lovely Valentine's Day crafts. -Vickie

V class

V class students continue to practice the alphabet by tracing, doing worksheets, and playing games. It is amazing how day by day they improve their vocabulary and pronunciation! -Angela

I Class

This month we learned about Valentine's Day and worked on our counting and letter skills. -Gabi & Lela

*We will focus on cooperation, sharing and helping others.
We will encourage the children to share their thoughts
And ideas through language enriched activities.*
