## PV International School, March 2024

We believe the best way of Early Childhood Education should be

PV International School

**P1 Class** In February, we worked on blends and digraphs. Learnt polygons through the song practiced 2D and 3D shapes. Learnt about formation of ice, water cycle and socially how to be helpful and kind with each other. -Tana

**P2 Class** P2 class learned vocabulary words related to places around the town. They showed improvement in defining sounds from letters to make words and enjoyed making lovely Valentine's Day crafts. - Vickie

**V class** Class V has been doing activities focused on discovering new places through learning vocabulary expansion. It's rewarding to witness their progress. Here's to a season of exploration and gratitude. -Jessica

**I Class** During this month the students have learned the recognition and trace of upper and lower case letters and have also added new words to their vocabulary as they have learned through the phonics of. -Aurora
