P1 Class This month the kids did a lot of reading and learning new words. We also did some math and crafts. We had a lot of fun practicing for sports day! -Sarina

P2 Class P2 class students learned the names of different types of sports this month. They started practicing for sports day and had fun making some sweet Father's Day crafts. -Vickie

V class V class had lessons focused on what they have already been learning: Lower case/upper case alphabet, beginning sounds, tracing, shapes and counting. They have also been practicing a lot for Sports Day -Mara

I Class I Class is continuing to explore the alphabet, numbers, colors, and animals. They're especially enjoying hands-on activities like painting and coloring as they discover new letters and animals each week. -Susana
