PV International

P1 Class (Sarina)

The kids have been doing a lot more reading comprehension this month, as well as answering questions verbally. We learned some new words too. We've been having fun playing in the water!

P2 Class (Vickie)

Students enjoyed daily pool time for outdoor play. They also practiced vocabulary and reading focused on different theme topics based on the summer school English program.

V Class (Anna)

This month V class kept learning the alphabet and numbers together. They also learned how to spell new shapes and practiced beginning sounds. They all enjoyed new life styles, lessons, activities and playing with water outside.

I Class (Aria)

This month I class enjoyed playing with water and watering flowers! During the lesson we learned about alphabet and shapes. We also learned a lot of words related to summer.
