PV International School, June 2026

PV International

We believe the best way of Early Childhood Education
should be
PV International School

P1 Class (Sarina)

This month we studied spelling and vocabulary as well as countable and uncountable nouns. We also had fun at the mud park! We rode the bus too. Sports Day will be here soon, let's do our best!

P2 Class (Tay)

Hello! This month P2 class learnt wide variety of things from our silent letters, to the letters in the middle of the alphabet and to sensei teaching us fun facts about where she is from, Australia.

V Class (Tana)

This month we learnt more about phonics, sounds and colors. We also learning how to count numbers and words.

This month we enjoyed making crafts and had fun with paints n colors.

I Class (Ana)

I Class learned letter E to H and practiced words started by those letters. They also started to learn numbers.

They started to clean up their stuffs into their bags by themselves, also change cloths after lunch time! And they started to sit on potty.
