

# Classroom Newsletter

PV International School, June 2025

We believe the best way of Early Childhood Education should be  
PV International School

You Tube

PV International

**P1 Class** We continued learning to read and write new words. We started doing some math and telling time. We planted and picked vegetables! -Sarina

**P2 Class** Students learned about parts of plant and the vocabulary related to spring. Students enjoyed the fun vegetable picking and planting activities. They also made lots of flower themed Mother's Day crafts. -Vickie

**V class** V class learned letters E, F, G, H and numbers up to 15. They also kept practicing their tracing and word spelling abilities. Everybody is making a lot of progress and it is amazing! -Mara

**I Class** I class has been learning how to write the ABCs and numbers, drawing and tracing different shapes, and learning new vocabulary! They enjoy singing along to songs and painting together! -Susana
