

Classroom Newsletter

PV International School, May 2024

We believe the best way of Early Childhood Education should be
PV International School

PV International

P1 Class

P1 had a fun Easter Egg hunt this month! We've been practicing verbs, vocabulary, and sugar vs plural words. We've also started doing simple math problems. It's fun to learn new things! -Sarina

P2 Class

The new P2 class students learned to recognize and write the names of different members of the family. They also practiced writing more lowercase letters and making lots of beautiful spring crafts. - Vickie

V class

We welcome all the kids to V class, new academic year. To begin with we did all about me ,self introduction and made many crafts like hand print puppets and Easter hats to celebrate Easter. We learned numbers 1-10 and phonics this month. - Tana

I Class

I class was very excited for the Easter hunt this month! We learned about butterflies and bunnies by practicing tracing and drawing with crayons. We also had much fun crafting new projects with fingerpaint and stickers! - Emilia
