**P2 Class** P2 class students enjoyed the Japanese traditional summer game "Suikawari" this month. They also improved their reading skills and vocabulary with the worksheets for summer. - Vickie

**V class** This month we enjoyed summer while learning more about our world and improving our motor skills 🍉 -Aurore

**I Class** This month I class learned about transportation vehicles and did some more study about sea animals. To enjoy the summer, they like to play in the pool with toys! -Susana
