PV International School, December 2025

PV International

We believe the best way of Early Childhood Education should be PV International School

P1 Class This month the kids start rehearsals for the Christmas show! They are all looking forward to that. We did a lot of reading and spelling this month and everyone has improved quite a bit! -Sarina

P2 Class students worked on Thanksgiving-themed worksheets to learn vocabulary, spelling, counting and simple math. They also went on couple field trips and enjoyed being outside with friends. -Vickie

V class had fun activities with fall leaves, learnt numbers and phonics. Learnt about Thanksgiving and how to be thankful for everything, made turkey crafts, listened to the stories and also rehearsed for the upcoming Christmas concert. -Tana

I Class This month, I class has been learning lots of new vocabulary related to fall and Christmas. They've also been practicing counting and sorting different shapes and colors during lesson time. Everyone is improving so well! -Susana
