PV International School, February 2026

We believe the best way of Early Childhood Education
should be
PV International School

You Tube

PV International

P1 Class This month we talked about nouns, verbs, and adjectives. We also did a lot of reading. We practiced for graduation!-Sarina

P2 Class This month, students learned vocabulary about winter and means of transportation. They can now recognise more words and read long sentences. They also enjoyed singing winter songs. -Vickie

V class Happy New Year 2026 🎉 This month V class kids learnt all about winter, seasons and snowfall. They also practiced letters and numbers. New year began with many new things to learn including art and crafts. -Tana

I Class This month, continues to work on learning new letters of the alphabet and many new words related to winter and seasonal holidays. They also practice lots of counting, sorting, and matching numbers, shapes, and colors! -Susana
